

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Kenneth Patton,

Petitioner

V.

Nevada Board of Parole Commissioners,
et al.,

Respondents

Case No. 2:19-cv-00521-JAD-NJK

Order Denying Motion for Reconsideration and Motion to Extend Copywork Limit

[ECF Nos. 7, 8]

This action was initiated by Kenneth Patton, a prisoner at Nevada’s Ely State Prison, when he filed a “Petition for Writ of Mandamus.”¹ I summarily dismissed this petition because Patton did not pay a filing fee or apply to proceed *in forma pauperis*, because mandamus relief is unavailable in this Court as a remedy in state parole proceedings, because Patton’s petition is not on a proper form for a habeas corpus petition,² and because, at any rate, Patton’s petition does not state any claim on which relief could possibly be granted in any form of action.³ Patton now moves for reconsideration.⁴ Because he makes no showing of any ground for reconsideration,⁵ I deny the motion.

¹ ECF No. 2.

² See Rule 2(d), Rules Governing Section 2254 Cases in the United States District Courts; LSR 3-1.

³ ECE Nos. 5, 6

4 ECE No. 8

5 See Fed. R. Civ. R. 60.

1 Patton has also filed a “Motion to Extend Prison Copywork Limit.”⁶ Because this case
2 has been dismissed and my denial of reconsideration means that it stays dismissed, Patton has no
3 need to make additional copies of documents. I thus deny this motion as well.

4 **IT IS THEREFORE ORDERED** that the motion for reconsideration (**ECF No. 8**) is
5 **DENIED**.

6 **IT IS FURTHER ORDERED** that Petitioner’s “Motion to Extend Prison Copywork
7 Limit” (**ECF No. 7**) is **DENIED**.

8 Dated: April 30, 2019
